

The Monster of The Garrison

EXT. Twin Tributary Bridge

JASON and his group are halfway across the upper section of the bridge, taking down any Garrison patrols sent their way to intercept. They notice smoke in the direction of Gibraltar, and then see the C.O.A. navy enroute to start the landings.

JASON

Not that much further! Once we make it to the other end we regroup with the others before continuing the advance.

RECLAIMER 3-2

Garrison squad up ahead!

JASON looks and sees a group of 5, but notices that one doesn't look the same as the rest.

JASON

Everyone group up and push!

RECLAIMER SOLDIERS get in pairs and start attacking the GARRISON squad. They take down everyone in the squad except the mysterious soldier. Everyone surrounds the mysterious soldier.

JASON

Drop your gear and we won't hurt you

BLITZ starts to smile and laugh.

BLITZ

That's very honorable of you guys.

BLITZ's gear injects him with an unknown serum, his eyes begin to glow a crimson red.

BLITZ

But also very foolish.

BLITZ activates his gauntlets and blinks(moves too fast for a normal person to see)and kills two RECLAIMER SOLDIERS.

JASON
The fuck!?

RECLAIMER 3-4
What the hell is this!

BLITZ takes down another RECLAIMER SOLDIER, looks over to JASON and the remaining RECLAIMERS.

JASON
Jump and get to the others!

JASON and the group swing along the bridge, rushing to regroup with the others. BLITZ swings in from up top, grabbing someone and slamming them into the bridge. BLITZ then blinks further along the bridge and hits another RECLAIMER, leaving JASON all alone. JASON sees BLITZ coming in to attack him, JASON uses the reverse anchor on his gauntlet to dodge and kick BLITZ. BLITZ gets staggered and lands on one of the rail lines. JASON LANDS ahead of BLITZ

JASON
This is reclaimer 1-2, took losses from a Garrison soldier with a new type of jump rig, gonna need some back up.

ANGIE
Reclaimer 1-5 rear guard is on the way up to assist.

JASON hears BLITZ activate his gauntlets and turns around.

BLITZ
Aw, don't wanna play alone?

JASON
Sorry, I don't really like hanging out with heroin addicts.

BLITZ starts to rush JASON

BLITZ

That's not nice to say to a friend!

The two throw a few hits and then stagger back, kicking off the first confrontation between BLITZ and JASON.
